

IDEAS™ Electronic Interest Inventory Option for AZCIS

In a special agreement with NCS Pearson, owners of the IDEAS™: Interest Determination, Exploration and Assessment System®, and *intoCAREERS*, developer of the CIS software, you now have the option to add an assessment tool to your annual Arizona CIS license. Simply complete the order form below and return it to *intoCAREERS*, along with your purchase order, check or credit card number. Once your order is received, instructions on how to activate IDEAS™ within your AZCIS program will be sent to you by mail. If you prefer, instructions can be sent by fax. Just note that on the form below.

For more information about the IDEAS™ electronic interest inventory, contact AZCIS Director Susan Mellegard at 602-542-5353, or *intoCAREERS* Marketing Manager Steve Laing, toll free at 1-888-348-6247.
